Welcome to Shubh Enterprise,

We are a team of Young passionate professionals led under the guidance of Mr. Malav Shah. Shubh Enterprise is dedicated to providing customers with high-quality Polishing and Buffing services across various industries. Our company was founded in 2015 with the goal of bringing the best possible polishing and buffing services to our customers.

At our company, we specialize in providing high-quality abrasive products for various industries. We take pride in our extensive range of products, including Non-Woven Abrasive Hand Pad Rolls, Matt/ Satin Dull Finishing Wheel, Non-Woven Flap Wheel, and Interleaves Wheel, all of which are suitable for matt finishing in industries such as stainless steel, fire safety, brassware, and fabrication.

In addition to our non-woven abrasive products, we also deal in Coated Abrasive Products such as Aluminum Oxide Cloth Rolls, Belt Coated Flap Wheel, and Flap Disk. Our coated abrasive products are designed to offer efficient cutting and finishing performance, making them an excellent choice for a wide range of applications.

At our company, we understand that each client has unique needs and requirements, and we work closely with them to develop customized solutions that meet their specific needs. Whether you need our services for commercial or industrial purposes, we have the expertise and resources to get the job done right.

Thank you for considering Shubh Enterprise for your Polishing and Buffing needs. We look forward to the opportunity to serve you and exceed your expectations.
